

## 2019 Schedule of Fees

### Annual Tuition Fees

The following fees and charges have been approved for 2019. The fee charged per student is inclusive of the costs associated with the College laptop program, any software licences required and any College camps and retreats. These fees are to remain fixed throughout the year unless significant and unforeseen circumstances arise.

| Year | Amount Payable |
|------|----------------|
| 7    | \$7,390.00     |
| 8    | \$7,390.00     |
| 9    | \$7,390.00     |
| 10   | \$7,390.00     |
| 11   | \$7,390.00     |
| 12   | \$7,590.00     |

As ratified by the College Board in 2016, the College method of payment for Annual Tuition Fees is via 10 monthly scheduled payments; please refer to the College Fee Policy available on the College website [www.avilacollege.vic.edu.au](http://www.avilacollege.vic.edu.au) for a full list of payment options.

### Family Discounts

Families with more than one student at the College currently receive the following discounts:

|              |       |                          |        |
|--------------|-------|--------------------------|--------|
| Second Child | \$300 | Third Child & Subsequent | \$1400 |
|--------------|-------|--------------------------|--------|

### Early Payment Discount

A discount of \$300 per student will be granted when all fees are paid in full to the General Office by Wednesday 28 February 2019 (close of business - 4pm). Please note late payments will not be entitled to the discount.

### VET Electives

Some student VET fees may need to be passed onto families. In these instances, the fees are in addition to the total College Annual Tuition Fees. Please note any government funding received by the College will be deducted from any VET fees charged. If additional fees are payable, Parents will be notified in writing prior to the beginning of the year.

### Re-enrolment Levy (Current Students)

In Term 4 each year parents of students in Years 7 to 11 will be asked to confirm their daughter's enrolment at the College for the following year, together with a payment to confirm their place. This deposit will be deducted from the following years' Annual Tuition Fees. Please note this fee is non-refundable should the student not return to the College as expected in the following year and parents are asked to return the re enrolment form by the requested date.

### **Extra Curricular Activities - International Language and Cultural Tours**

Various student trips are offered annually. All costs associated with these trips are additional to the College Annual Tuition Fee charged. For students to participate in these trips, it is expected families will be on a full fee scheduled payment plan and their Annual Tuition Fee account is not in arrears. Parents of students whom apply to attend these trips will receive a letter to identify the costs and methods of payment associated.

### **Insurance Excess on College owned Macbooks**

Avila College maintains a 1:1 Macbook program where devices are on loan to the student to support learning for the duration of their education at Avila. In the event damage is sustained to the device, the College will notify the family if the repairs are not covered by the Apple warranty. An excess of \$250 is payable by families on any repairs required outside of the laptop warranty. The amount will need to be paid within 7 days of the notice being issued.

### **Payment in Full by the end of the School Year**

It is a College expectation that all family accounts are to be paid in full by the end of the school year. Student enrolment at the Avila College is based on, among other factors, understanding and acceptance of the College Fee Policy (available on the College website [www.avilacollege.vic.edu.au](http://www.avilacollege.vic.edu.au)).

### **Financial Assistance**

Where families are experiencing financial hardship, a Fee Reduction application form can be requested by calling 9831 9600 or emailing [familyaccounts@avilacollege.vic.edu.au](mailto:familyaccounts@avilacollege.vic.edu.au). All applications are assessed on an individual basis and are treated as confidential.
