FROM THE PRINCIPAL

Dear members of the Avila community,

Easter celebrates the Resurrection of Jesus, the central feast of Christianity, and it was most fitting that we commenced a new term with the whole school participating in a Resurrection celebration to reflect the recent significance of the Easter Triduum. I trust all members of the Avila College community found some time and space over the recent holidays to revive and refresh ahead of another busy term filled with numerous events and activities. Many discussions would have taken place at the end of last term, following the Oral Reports, as to goals to be set for the forth coming term – to all students, let's hope they are activated in coming weeks. To parents who may not have met with their daughter’s subject teachers, at the end of last term, I urge you to make contact over the coming weeks. I trust that the term ahead is filled with numerous rich and exciting learning opportunities for all of our Avila College students.

I am delighted to share with everyone the news that a significant outdoor area has been given a new lease of life and created a valuable learning space within the heart of the College. For the past two months St Teresa’s Garden has been totally transformed into a space that allows for improved traffic flow, shaded seating pods for outside learning and gathering spaces, as well as numerous plants to provide shade and softness (photos follow on page 2). The area has also received some much needed painting and rendering to blend this space with our Year 7 and 8 building. I would like to thank, in particular, Norm Phillips, Business Manager and Tony Del Mastro our Property Manager who, in conjunction with the many trades people, have made the vision for this space come to fruition.

**Master Building update:**

Tenders have been received from a number of building companies for our new gymnasium, Science / Ag Hort space as well as the gathering space between Bunjil and Food Tech. These projects are Stage One of our Master Building Plan that was completed in conjunction with Law Architects following consultation with staff, students and parents during 2013. We are hoping that building will commence towards the latter part of this term with works due to be completed early in 2015 ready for our Golden Jubilee celebrations.

**Community news:**

We welcome to the Term 2 staff, Amy Bulmer, who will be teaching Year 7 Connect.ed. and Year 8 English, replacing Gill Goldsworthy who is on leave; Clare Crowe will be teaching Year 10 and Year 11 English replacing Clare Manning who is on leave; Chelsea Millar will be teaching Year 7 Science, Year 9 Science and Year 10 Ag Hort and will be replacing Lisa Moloney who is on leave. Fiona Russell returns following leave and will be teaching Year 7 and 8 Religious Education.

A reminder to all mums to please join us for the Mother’s Day Breakfast on Friday 9 May. See page 10 for booking details.

In recognition of ANZAC day tomorrow, we take time to remember all the soldiers who fought and died at Gallipoli in 1915, as well as all soldiers who died while fighting for their country. ‘Lest we forget.’

With God’s blessing to all members of our Avila community.

Louise Gunther
Principal
ADMINISTRATION NEWS

Our House Athletics Carnival will be held on Thursday 1 May, at Bill Sewart Athletics Track, Burwood East. A reminder that all students making their own way to the venue must arrive by 9am and have their names marked off by their Year Level Co-ordinator upon arrival. Students being transported from Avila need to arrive at school by 8:30am and report to the designated rooms as outlined on SIMON messages. Students who catch the Australiner School Bus will be transported directly to and from the athletics track. If your daughter is ill on the day, please contact the General Office on 9831 9600 before 8:30am and a medical certificate will be required the next day. It is anticipated that the carnival will finish at 2.30pm. In the event of bad weather the following procedures will be put in place:

• If the carnival has been cancelled, students and parents can check the College SIMON homepage, or check the notifications on the Avila College App.
• Usual timetabled classes for a Day 4 will be implemented, with classes scheduled to finish at 2.30pm.
• All students who have made their way to the track will be transported back to school, as will students on Australiner Buses.

We look forward to a great day and welcome parents to join us for the Athletics Carnival.

Rebecca Cetrola
Deputy Principal Administration

TRANSFORMATION OF ST TERESA’S GARDEN

L-R: (above) St Teresa’s Garden before works commenced, during construction and after.
LEARNING AND TEACHING NEWS

Oral Reports

Oral reports for all students were held in the last week of term one. It was great to see so many parents attend with their daughters to discuss their progress. More parents than ever made a booking to meet with their daughters' teachers this year. Parents are reminded that if they have concerns at any time about their daughter’s progress, they should contact their daughter’s homeroom or subject teacher.

Professional Learning

Following two days and evenings of Oral Reporting, all teachers spent the last day of term one (4 April) engaging in professional learning about “Effective Feedback”. Prior to the day, staff undertook professional reading with a homework task. Educational consultant, Anna Bennett, led a full day of workshops. With such high numbers attending the recent Oral Reports, it was pleasing to hear that research confirms, “The most powerful single modification that enhances achievement is feedback” (John Hattie). Avila’s teachers are committed to developing their knowledge and skills in providing timely and targeted feedback to improve student learning.

Throughout the workshop, Anna helped teachers to appreciate that “the most useful feedback focuses on the qualities of student work or the processes or strategies used to do the work”. It was also noted that “feedback that draws students’ attention to their self-regulation strategies or their abilities as learners is potent if students hear it in a way that makes them realise they will get results by expending effort and attention”. Good formative feedback gives students information they need to understand where they are in their learning and develops their feelings of control over their learning. There was some lively discussion about descriptive assessment versus grades with the research confirming that the former is far more effective for learning. The value of an explicitly stated “Learning Intention” was highlighted too; consequently, students can expect to see more teachers using this language in future. Of course, feedback or assessment is multi-faceted and there is a place for both formative and the evaluative assessment at different points in the learning journey. Oral reports are just one of the opportunities for formative assessment and feedback.

NAPLAN

Parents of students in Year 7 and 9 are reminded that the national testing program for literacy and numeracy will take place on Tuesday 13, Wednesday 14 and Thursday 15 May. All students in Year 7 and 9 are required to undertake all tests. All NAPLAN tests will occur in the Year 7 and 8 classrooms in the morning and parents are asked to assist in ensuring that students are punctual so that they can commence the tests as scheduled. More information about the NAPLAN program will be sent to parents over the next few days.

Madeleine Franken
Deputy Principal Learning and Teaching

MATHS HELP

Catch up Corner

Maths help is offered at Catch Up Corner at lunchtimes for students in Years 7 to 10 who need extra help or a more detailed explanation of a more difficult concept. These sessions are held in Room 66.

Day 1: Mr Tato Day 6: Miss Scott-Jones
Day 2: Mrs Zammicheli Day 7: Ms Gilfedder
Day 3: Mrs Trifilo Day 8: Mrs Talj
Day 4: Ms R Ryan Day 9: Mr Baroudi
Day 5: Mrs Hughes Day 10: Mrs Smith

VCE Maths

VCE students are encouraged to maximize their opportunities for learning within class time. Of course, if a student has a particular concern, she may make an appointment to meet with her teacher at lunchtime or in a study lesson. If an appointment is made, a student should have a very clear list of the work she wishes to review.

Mathsonline.com.au
All Years 7 to 10 students have been given log in details for this Maths website. Maths Online guides your daughter through maths topics, lesson by lesson, allowing her to pause, rewind and repeat all or part of any lesson. Your daughter has access to skills from other year levels, which provides her with the opportunity to revise skills previously learnt or to attempt more difficult skills. Each lesson includes a test so that your daughter can see how well she has understood the work. Your daughter’s teacher may set specific lessons for her to do or your daughter can attempt lessons any time.

PASTORAL NEWS

Supporting Girls’ Social Development in Single Sex Schools

Parents who have chosen Avila College for their girls often state that single sex education is important to them. A single sex school offers the chance to customise the curriculum and often helps girls build learning confidence away from the attention seeking and dominating behaviours of some boys. Students at Avila College also have the advantage to fill all roles of leadership and venture into all areas of the curriculum, including mathematics and sciences, without feeling labelled as tomboys. Single sex schools aim to deliver a more tailored teaching and learning experience than might be possible in a co-educational environment. However, it is still important that our students have contact with boys so as to ensure that they develop a balanced view of the opposite sex and can build sound social skills.

Avila College enables our students to meet and work alongside boys during activities such as the Year 9 Religious Education Day and the Avila/Mazenod musical but the main responsibility to support social development in this area rests, understandably, with parents. Parents are best placed to determine the social needs of their daughter and ensure that activities suit their daughter’s interests. If your daughter has lots of brothers and has a chance to mix with their friends, there may be little need to supplement with more mixed social experiences. If your daughter is an only child or from an all-girl family, parents may want to increase their daughter’s contact with boys so as to allow her to build confidence and skill.

Parents could consider introducing their daughter to a mixed social environment by looking for activities that include their daughter’s interests. Encouraging your daughter to join mixed sporting teams, get a part-time job, learn to dance, compete in martial arts groups or participate in parish youth groups can be great ways to get your daughter building social skills and making friends with both genders. Daughters learn a lot about boys and gender roles from the way their family works. Parents should make sure that chores around the house do not have a gender bias and that dads are mindful to spend plenty of time with their daughter talking about a range of subjects, not just school. Dads often set the bar by which a girl will measure their relationships with males.

As girls move from being children to young women it is natural for them to want to spend time getting to know and befriend the opposite sex. It is important that they have practise setting boundaries and managing these new types of friendships. The best way to do this is in a supportive atmosphere where parents are aware of what is happening and based around common interests rather than just socialising for the sake of it. If your daughter is unusually anxious about socialising in mixed social groups, a call to one of the school counsellors could be very helpful.

Health Centre – Change of Location

Please note that the College’s Health Centre has moved to the ‘Old Junior School’ to accommodate building that will soon commence between the Food Technology area and Bunjil. When picking up your daughter from the Health Centre, parents should first come to the General Office before proceeding to the Health Centre. Access to the Health Centre is via the walkway near the Art rooms.

Absentee Students

As winter approaches and the cold and flu season hits our community, parents are reminded that they must contact the College by 10am if their daughter is unwell and is not coming to school. Written confirmation of the absence is required in the form of a letter to your daughter’s homeroom teacher as this enables the College to fulfil our legal requirement to confirm parental permission for any absence. Students undertaking VCE subjects may also need to provide a medical certificate. Parents have been given a VCE handbook earlier this year outlining when this is required.

CyberSafe - Keeping Children Safe Online

Presenter: Brett Lee

Brett Lee worked as a Queensland Police Officer for 22 years, 16 of those as a detective predominantly in the field of Child Exploitation. In his last 5 years of service, he was a specialist in the field of undercover Internet child exploitation investigations. He is now a leading international keynote speaker on the topic of digital compliance and Internet safety.

The presentation will cover simple measures to create a fun, educational, positive and SAFE online experience, understand the real life dangers and responsibilities, the importance of a parent’s or teacher’s role in keeping children safe online and the grey area between school and home.

Tuesday May 6th, 2014   7pm to 9pm, Strathcona Baptist Girls Grammar School, 34 Scott St, Canterbury.
Monday May 12th, 2014   7pm to 9pm, Lowther Hall, 17 Leslie Rd, Essendon.

$15 per person (at the door) NO EFTPOS   Includes Free Tea/Coffee from 6.30pm

DEBATING NEWS
The senior debaters have completed their first round of the season with eleven teams winning their debate... an excellent effort. Congratulations to the students who won "Best Speaker" in their debates: Jacqueline Drake, Sophia Elliott, Georgia Vance, Elizabeth D'Lima, Tessa Canning, Sherangi Boteju, Cloe Johnston, Jovita Thomas, Monique Drake, Tynah Pearson and Emily Govic. Well done!

CLOSE THE GAP DAY
The 20th of March was a very significant day in the indigenous calendar, with everyone coming together to give recognition and support to Close the Gap Day. Alongside students from Avila’s Reconciliation Group, we worked to raise awareness and contribution to recognise that due to the Australian government’s failed health policies for Indigenous people, the age gap between the life expectancy of Indigenous and non-Indigenous people is divided by up to 17 years. The day was a huge success, along with everyone’s support and enthusiasm, we managed to get over 560 signatures - a worthy contribution to Oxfam’s goal of closing the gap by 2030. In addition to petitioning Australia’s government to improve health policies for indigenous people, there were Close the Gap tattoos, photo competitions to spread the word to the wider community, and we also played the music of Aboriginal singers, including the beautiful voice of our very own Jade Casemore in Year 11. As part of the Close the Gap Instagram photo competition, many Avila girls entered, posting images of their participation in the day’s event. A massive congratulation to Tamara Ludekens who won this competition and a year’s supply of fair-trade chocolate! It was wonderful to also see so many girls eager to embrace this year’s theme of Give/Get. Thank you for everyone’s support and we hope to see many more successful events throughout the year.

Francesca Carl and Leah Giakoumis
Reconciliation Group Captains
LIONS YOUTH OF THE YEAR AWARDS

On Sunday 30 March, Sophia Elliott represented Waverley Lions Club at their Youth of the Year competition. Lions run this competition nationally and look for a youth ambassador. This competition is unique in that an interview with a panel constitutes the majority of points allocated. Participants need to be aware of local, national and international issues. Their academic and co-curricular achievements are also examined. In addition to this, candidates are required to do 2 impromptu speeches and deliver a 5-minute prepared speech.

Sophia first competed at a club level, where she was both best speaker and the candidate selected to progress through to the next round. The next step was a regional final where she was again the selected candidate. Sunday 30 saw her competing in the District final, the winner of which would progress to the State final. Unfortunately Sophia did not progress to the next stage, although the judges strongly recommend she compete again next year, as she was the youngest competitor. We would like to commend Sophia on the time and effort she put into preparing for this competition; she represented herself, her family and our College community with great distinction.

ST. VINNIES SOUP VAN EXPERIENCE

Too often we forget how fortunate many of us are. Instead of appreciating what we have, we complain about having to go to work, the weather, transport and school.

On Monday 31 March 2014, Christiana David, Sandie Abi-Chebli, Denise Do, Ola Odrowaz, and myself (Jackie Chittasorn), ventured out to the St Vincent de Paul Society shelter in North Melbourne to spend a night serving drinks, hot food, soups and cold sandwiches to the less fortunate. We were there also to distribute the many Easter Eggs, the Year 7 & 8 students had collected during Lent. This was an eye-opening experience and taught me many valuable life lessons. I saw things that I never thought existed in Melbourne and it was definitely a great feeling helping out the less fortunate and seeing their faces light up when they saw us with those Easter Eggs.

These people live bleak lives due to social isolation as a result of various problems and factors. Some have made wrong decisions in their lives which have resulted in a criminal record, some are migrants with difficulty learning the English language, some have suffered from alcohol and drug abuse. The most shocking thing about each of the people we visited was that on arrival, every person was so grateful to see us and receive food; some would talk for as long as we had time to. I soon discovered that food was not the only valuable resource that they received by the Soup Van; simple human interaction and care was far more important.

From this experience, I learnt that our lives are so blessed and rich. We are not only rich in money and basic needs, but we are able to be accepted in society and accept the people we are surrounded by. Lending a hand and giving to others in need, is what makes us a true community. I highly recommend this to any person who feels the need to help out others who are misfortunate; it truly makes you value your life much more. It is definitely one experience I’ll always remember and appreciate.

MEET... THE MUSIC CAPTAIN & VICE-CAPTAIN

Kala Gare
For as long as I can remember, music has been a large part of my life, resulting in a strong passion for this beautiful art. I am extremely privileged to have been Music Captain since Year 7, and to be School Music Captain this year is a great honour. I aspire to continue the amazing work of Kimielle and Ruby, the fabulous captains before me, and am eager, with the help of my fellow captain, Cass, and our younger level captains, to encourage the school to embrace the wonderful world of music, along with the guidance of the brilliant Mrs Lascaris, who is an inspiring role model to us all.

From early in my school career, I threw myself into extra curricular activities, joining many ensembles and bands; such as The Orchestra, Concert Band, Chamber Choir, Senior Ensemble and Percussion Ensemble to name a few, all of which I am still involved in today. I have also been involved (and will be again this year) in the Avila/Mazenod Musical, one of the most amazing experiences the school offers.

This year, Music Captains have started the year with a bang, smashing out a fantastic orchestra camp, with many more great events coming up ahead, including the Avila/Mazenod Orchestra, Creative Arts, Music Fest, and our very own Music Week.

The music school at Avila College has become a second home for me, and throughout this year I hope to spread the love and appreciation for the arts around the school. We are embracing our theme of Give/get, and looking forward to sharing the magic of music with our fellow Avilonians.

Cassandra Garner
My name is Cassandra Garner and I am extremely excited and feel very privileged to be the Music Vice-Captain for 2014. I’m very eager to work with the Leadership Team and with my fellow Music Captain Kala, to see what we can accomplish this year.

Since I began at Avila in year 7, I fell in love with playing the violin and music, having never really been offered this opportunity in Primary School, and within a week I had joined the Stringphony, a music group for beginner string players. Playing in an ensemble was an amazing experience and my love for it grew and I joined the String Orchestra, String Ensemble, Avila College Orchestra and even began my own Year Level Ensemble.

I feel blessed to be able to share my passion for music with Avila and am enthusiastic to get everyone at Avila involved, through singing, playing, dancing or listening to music.

AVILA Second Hand Uniform Shop News!

If you are looking for a Winter uniform, navy VCE jumpers, a spare dress, blazer or PE uniform, please be sure to check out the second hand uniform shop at Avila. We have quite a range, and lots in great condition!

The Avila Second Hand Uniform Shop will be open, from 1-4pm, on:

Wed 7 May, 28 May, 18 June 2014.

The Second Hand Uniform Shop is located behind the VCAL House, diagonally opposite the front gates of the school. Students can visit the shop during their lunch break or after school.

If you need a second hand uniform but cannot come on the dates above, please phone the Avila Office ☏ 9831 9600 on Monday, Tuesday or Wednesday mornings to arrange another time.

Alternatively, you can email vnicoll@avilacollege.vic.edu.au with any query about a second hand uniform.
PARENTS AND FRIENDS REPORT

Welcome back, hopefully you all enjoyed your break and are recharged and ready for a very busy Term Two.

Mother’s Day

Firstly, I would like to extend my sincere thanks to our very generous parent community for the amazing range of Mother’s Day Stall donations. The gifts are really beautiful and I have to say I would be thrilled to receive any of them on Mother’s Day from my daughters.

It was a flurry of activity in the Multipurpose Room during the first week of the school holidays. We have some very talented PFA members with exceptional wrapping skills who kindly donated their time to wrap the gifts, which are very affordable at $2, $5, $10 and $20. The Mother’s Day Stall will be held at lunchtime in the Multipurpose room on Tuesday 6 May.

We will also have a Mother’s Day Raffle with a great array of prizes on offer. Tickets are just $2 each, or three for $5.

All proceeds from the Mother’s Day Stall, Raffle and Breakfast will be utilised to further improve facilities at the College so your support is much appreciated.

Plans are now well advanced for our Mother’s Day Breakfast to be held in the Dining Room from 7.30am on Friday 9 May. Tickets are $10 per person and they are selling fast; go to www.avilacollege.vic.edu.au, News and Events, Bookings, to buy your ticket online.

Guest Speaker Evening

We are very fortunate to have Ms Lucinda Nolan, Victoria Police Deputy Commissioner, visiting Avila College to address students and parents.

Ms Nolan will speak about “Building Resilience for Strong Women”. The evening will be held on Wednesday 4 June at 7.30pm in Bunjil.

I am sure you will agree that it is important that our girls hear from inspirational role models to motivate them to be their best.

To book go to the College website, News and Events, Bookings. A gold coin donation will be collected on the evening for the Blue Ribbon Foundation.

HEALTH CENTRE NEWS

School Immunisation

Monash Council conducts immunisation at Avila College. They visit our school 3 times this year. In 2014 the Year 7s are receiving the HPV (Human papillomavirus). They will receive 3 doses, which give the best immunity. Our first immunisation date was 26 February and the next 2 dates are Thursday 8 May (day after Creative Arts night). Year 10s will also receive their immunisation on this day. The third date is the 17 September. The Year 7s will also receive Varicella (Chicken Pox) later this year, most likely in September. Year 10s will receive Boostrix (Diphtheria, Tetanus and Whooping Cough) next term. With the high incidence of Whooping Cough and the potential life threatening danger to newborn babies, it is important to receive this booster vaccine.

Vaccines can only be provided to students where a valid consent card is signed by a parent/legal guardian and returned to school. Monash Immunisation nurses have alerted the school that from next year the Health Department is changing when school students receive Boostrix. From 2015, Year 7s will receive Boostrix along with 3 doses of HPV and Varicella.

So next year the Year 8, 9 and 10s will receive the catch up vaccine of Boostrix.

We look forward to a busy 2015 of immunisations at Avila College! Additional information about the school based immunisation program and the funded vaccines can be found at: www.health.vic.gov.au/immunisation and on the Better Health Channel website www.betterhealth.vic.gov.au

AVILA GIRLS MAKE WAVES
SCSA Swim Meet
The final event on the calendar for the 2014 Avila Swim Squad was the SCSA Swim Meet at the Melbourne Sports and Aquatic Centre, on Thursday 20 of March.
The girls were all raring to go after participating in morning training sessions and preparing for the meet since October last year, and were keen to try out their new skills in the pool.
We definitely did Avila proud, with the Juniors coming 2nd, the Intermediates coming 4th and the Senior team placing 6th. Overall, Avila placed a very respectable 3rd place.
I’d like to say big congratulations to the girls on an amazing swimming season and putting 100% into training each and every week. Also, a really big thank-you to the staff who were always there to support us in the morning and encouraged us to hop in - Ms Gilfedder, Miss Vining, and past students Danielle Costello and Katherine Konstantinidis.
The biggest thank-you of all though, goes to Miss Randle for all of her hard work in organising training sessions and the team!
Congratulations girls and good luck next year!
Rebecca Abbott
Swimming Captain

SCSA Diving
Training for the 2014 diving season began early Term 4 2013, with positive and enthusiastic aspirations held by all. An astonishing 15 people turned up to the first training session where students learnt some essential diving skills, which sparked anticipation in the minds of all divers leading up to the competition in March of 2014.
As the season progressed, so did the skills of the divers. Unfortunately, with such immense eagerness for diving this year, not all girls were able to secure a spot on the Avila diving team. However, sincere congratulations go out to all girls as Miss King, the Avila diving coach, had a highly arduous duty to select the team due to the vast talent displayed by all of the girls.
The selection of divers going into competition consisted of one junior diver, three intermediate divers and three senior divers. All girls performed eloquently on the night, so much so that not one diver missed out on being awarded a ribbon.
The seniors were highly successful in their accumulated efforts as they obtained 1st place overall for the senior division of the diving.
Overall, the Avila divers won a place on the podium, impressively finishing in 3rd place, even with the lack in divers in the junior division. The team was very close to achieving 2nd place as only one point separated 2nd and 3rd place in the overall results. We’ll get them next year!
Thank you and congratulations to all girls who competed and all those who came to training throughout the season. We look forward to seeing your elegance on the springboards in the next diving season beginning at the end of this year.
