### FREQUENTLY ASKED QUESTIONS

---

***Q: How do I secure a seat for my child on the Australiner bus service?***

**A:** Please fill in and return the attached Application for Term Ticket 2026 form included in this pack. Please include all requested information and return it to us by the cut off date – **Friday October 17<sup>th</sup>, 2025.**

***Q: How do I fill in the Application Form?***

**A:** As this document is a PDF this can be done digitally, or if you prefer – printed and filled in by hand. Please scan and return to us by email [australiner@bigpond.com](mailto:australiner@bigpond.com) by the due date.

***Q: What happens if my application is not returned by the due date?***

**A:** After the due date we begin the process of developing our runs for the 2026 school year. These may reflect the included routes here very closely, or they may be significantly re-drafted based on new applications or existing customer requirements. Our aim is to provide the best possible service for the majority of customers – within operational and time constraints.

The earlier your application is in to us, the more likely we can consider any requested stops and special requirements. Applications received after this date will still be processed but we may not be able to route the bus service to meet your special requests. Those that choose to apply close to the start of Term 1, 2026 may not be guaranteed a seat.

***Q: When will I hear from you regarding my application?***

**A:** After a short period of time we will send you a note acknowledging receipt of your application form. You can then expect to hear from us again in January 2026 confirming your travel arrangements or offering you an alternative if your request is unable to be met.

***Q: When will I need to pay?***

**A:** Payment is due before the start of Term 1, 2026 or by the due date on your invoice. You will receive an invoice from our accounts department once your travel arrangements are finalized and confirmed by us.

***Q: I have paid for the Term but my child has not travelled every day. Can I get a refund for unused travel days?***

**A:** Sorry but we are unable to provide refunds or accept part payment for travel. The ticket is sold for the entire school term and this commitment ensures the viability of the school bus service for all travelers. As this service is not subsidized by the college or government it must remain financially viable to cover all associated costs.

There is a One Way travel option available at a reduced rate - and if you are experiencing financial hardship please contact Georgina in our accounts department ([accounts@australiner.com](mailto:accounts@australiner.com)) who will be able to offer alternative payment arrangements.

***Q: Where will my child catch the bus, and what time?***

**A:** From home it will be from your designated stop which we will confirm with you prior to the first day of operation. We will also confirm your stop time. Please be at your stop 5 minutes before your advertised departure time.

Please be aware that during the first week of operation the bus services are likely to be delayed due to a number of factors. Our new Year 7 students and families sometimes need a little time to get used to the service, and increased traffic volume on our roads can lead to further delays. Please be patient and wait at your stop – a bus will always arrive. After a week or two running times will become much more consistent.

From Avila College the buses will leave from the Charles St Bus Zone at the front of the school at **3:35pm (15:35hrs)** Monday to Thursday. Friday services are scheduled to depart **3:15pm (15:15hrs)** to confirm with the early finish on this day. This depends on operational requirements and cannot be guaranteed. Return home times are not published or guaranteed due to traffic conditions.

***Q: How will my child know which bus to catch?***

**A:** All our services will be marked with an “A” run number in the windscreen corresponding to the following runs:

**A1 – Rowville (North of Wellington Rd) including Silkwood, Sovereign Crest & Carrington Estates**

**A2 – Timbertop Estate, Rowville South, Lysterfield, Mulgrave, Wheelers Hill & Mt Waverley**

**A3 – Endeavour Hills, Dandenong North, Mulgrave, Wellington Rd & Blackburn Rd**

Please read any further information from us regarding the services carefully as these runs may change before the start of Term 1. If your child is uncertain they can always ask an Avila staff member or one of our friendly driver crew who will be more than happy to assist them.

***Q: Is there a bus pass or identification that needs to be shown?***

**A:** Yes – once your invoice is paid we will email you a Bus Pass document. Please follow the instructions contained in this document. This helps us account for your child as they use the service each day.

***Q: Do I need to let you know if my child is not going to be on the bus?***

**A:** If it's for a day or so you do not need to contact us, however if you are not going to be using the bus for an extended period - please do let us know by email.

***Q: Can I change my stop, can I use a different stop if we miss the bus?***

**A:** You are able to change any travel arrangements including stops in writing by email. Yes - you can use a different stop on occasion if you miss the bus. We recommend that you familiarize yourself with the route and have an alternative stop in mind for emergencies.
