Family Discounts

Families with more than one student at the College receive the following discounts:

Second Child	Third Child & Subsequent
$1,675	$2,235

Annual Tuition Fees & Levies

The Annual Tuition Fees and Levies are inclusive of compulsory camps, excursions, costs associated with the College MacBook Loan Program (excluding damage) and other educational resources. These fees are to remain fixed throughout the year unless significant and unforeseen circumstances arise. All MACS schools are required to levy a capital fee as part of the school fee structure. Annual tuition fees and levies apply to all students in all educational pathways available at the College.

Method of payment

The College preferred method of payment for Annual Tuition Fees and Levies is via direct debit/credit card over 10 monthly or 20 fortnightly scheduled instalments.

Please navigate to the Parent Portal (portal.avilacollege.vic.edu.au) to select your payment plan and method of payment.

Private Instrumental Lessons

Fees for students enrolled in private instrumental lessons apply each term and are additional to the Annual Tuition Fees and Levies.

VET Electives

Fees for external VET courses are charged to families in addition to the Annual Tuition Fees and Levies. Please note any VET government funding received by the College will be deducted from the VET fees charged. If additional fees are payable, parents will be notified in writing at the time of VET enrolment. Further information is available on the College website www.avila.vic.edu.au

Extra Curricular Activities, International and Cultural Immersions

Various student trips are offered annually. All costs associated with these trips are additional to the College Annual Tuition Fees and Levies charged. For students to be eligible to participate in these trips, it is expected families will be on a full fee scheduled payment plan and their Annual Tuition Fee account is not in arrears. The College has discretion over whether to allow a student to participate in optional or extracurricular school events, such as paid school excursions, ticketed events, overseas or domestic trips or extracurricular school activities whilst fees remain due and payable.

Damage Excess on College MacBooks

Avila College maintains a 1:1 MacBook program where devices are leased and loaned to the student to support learning for the duration of their education at Avila. In the event damage is sustained to the device, the College will notify the family if the repairs are not covered by the Apple Care+ warranty. An excess of $250 is payable by families on any repairs required outside of the laptop warranty. The amount will need to be paid within 7 days of the notice being issued.

Payment in Full by the end of the School Year

It is a College expectation that all family accounts are to be paid in full by the end of the school year. Student enrolment at Avila College is based on understanding and acceptance of the Avila College Enrolment Agreement available on the College website www.avila.vic.edu.au

Financial Assistance

The school offers a number of methods for paying fees, levies and ad hoc charges to reduce any financial burden and to assist financial planning. If you have difficulty in meeting the required payment of fees, levies and ad hoc charges, you are welcome to discuss this with the Director of Finance and Business Operations. Consideration is made based on a short application form which can be requested from the Family Accounts Office by phoning 9831 9600 or emailing familyaccounts@avilacollege.vic.edu.au All applications are assessed on an individual and annual basis and are treated as confidential.

Enrolment Application Fee

A payment of $150 (inc GST) is to accompany the application form. This fee is non-transferable and non-refundable.

Enrolment Confirmation Fee

Following an offer of a place at Avila College, a confirmation deposit of $450 (GST is not applicable) is payable. This payment reserves the student's place and confirms the acceptance of an offer of enrolment at the College. This fee is non transferable and non refundable.

Debenture Deposit

A Debenture Deposit of $450 (GST is not applicable) is payable at the point of enrolment confirmation and is held for each student enrolled at the College. If the student remains at the College for six years, the deposit is refundable at the end of their Year 12 year. The Debenture refund amount to be paid will consider any outstanding fees owed by the family. If fees are in arrears, the Debenture Deposit will be credited to the family account. Families will also be given the opportunity to donate an amount to the College Building fund. The Debenture Deposit is non-refundable if the student leaves prior to the end of Year 12.

Student Enrolments during the school year

Families who enrol a student during the school year will be charged Annual Tuition Fees and Levies on a pro-rata basis. However, please note the Enrolment Application Fee, the Enrolment Confirmation Fee and the Debenture Deposit will need to be paid in full prior to the student commencing studies at Avila College. If a student enrols for commencement in the following year, a non refundable place holding fee of $2500 is also payable. The place holding fee will be applied to the family account upon commencement. In the event the student does not commence, the placeholder fee is forfeited.

Withdrawal of a Student/Extend Absence during the year

If a student will not be continuing at the College, a letter addressed to the Principal is required to advise the College of the student's withdrawal. It is an expectation that parents/guardians will give the equivalent of one term's notice in writing to the Principal for any student's withdrawal at the end of the year or during the year, otherwise the equivalent of one term's Annual Tuition Fees and Levies may be charged in lieu of notice. This amount charged will be due and payable within 14 days of the student exiting the College.

Where a student is expected to be absent for a term or more due to prolonged illness or injury, notice of advice should be addressed to the Principal. A level of fee remission may be applicable, subject to the nature and level of ongoing support provided by Avila College for the student's ongoing learning and wellbeing.

What If Our Family Situation Changes?

The Avila College Enrolment Agreement legally binds each signatory to the agreement. If family and parental/guardianship arrangements alter and the arrangement for the payment of tuition fees needs to be changed for convenience during the course of the student's time at Avila College, each party is expected to notify the College so that a new arrangement can be mutually nominated. A Change of Status form is available from the Director of Finance and Business Operations on request. This document captures a change in preference for convenience between parties when family circumstances have altered, together with the effective date of that change. It does not replace the legally binding Enrolment Agreement.

Legal Obligation to Pay Fees

At the time of acceptance of an enrolment offer, parents/guardians sign the Enrolment Agreement which incorporates obligations and agreements about the payment in full of all fees annually. The payment of fees is binding upon each signatory to the agreement. Each signatory will be jointly and severally responsible for the timely payment of fees.

The College has discretion over whether to allow a student to participate in optional or extracurricular school events, such as paid school excursions, ticketed events, overseas or domestic trips or extracurricular school activities whilst fees remain due and payable.
